

Plan a trip with BuzVault

Collect hotels, cafés and places — then share one link with friends.

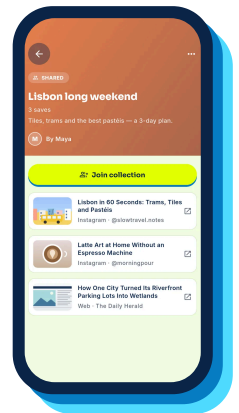

Create a trip collection

- Name it after the trip: "Goa, December".
- Add every hotel, café, beach and activity you find.

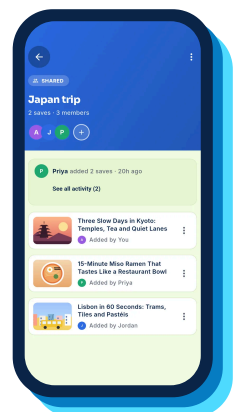

Share one link with the group

- Tap Share on the collection and drop the link in the group chat.
- Friends open it on the web or in the app. Only titles and links are shared.

Let friends add their finds

- Friends who use BuzVault can join the collection.
- See who added what in the activity list.

Shortlist and book

- Remove what you have ruled out.
- Add notes: price, distance, "book by Friday".
- Set a reminder on the booking you must not miss.

Use it on the trip

- Your collection becomes the guide.
- Search works even with weak signal.
